

Accessing the MAGIC E-learning course

Please follow these step-by-step instructions.

Follow these steps for each module including the pre and post quiz.

The maximum length of time available to complete the course is six months from enrolment to completion. After this time, users will need to re-register as per instructions

Certificates can be downloaded when a 'pass' has been achieved. Users should download them and keep them in a safe place as soon as the course is completed.

If you need any further support, please contact your unit MAGIC lead.

We recommend you watch this short presentation before embarking on the course. It provides some helpful tips and pitfalls to avoid. [Miriam's Practical Guide to MAGIC E-learning.](#)

Access to the platform

1. Visit the website <https://elearning.thinkkidneys.nhs.uk/>

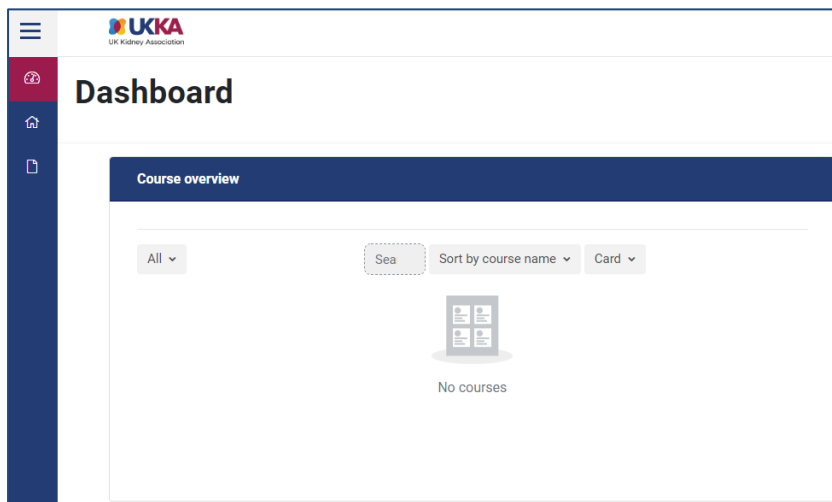

2. Please log in

Is this your first time here?

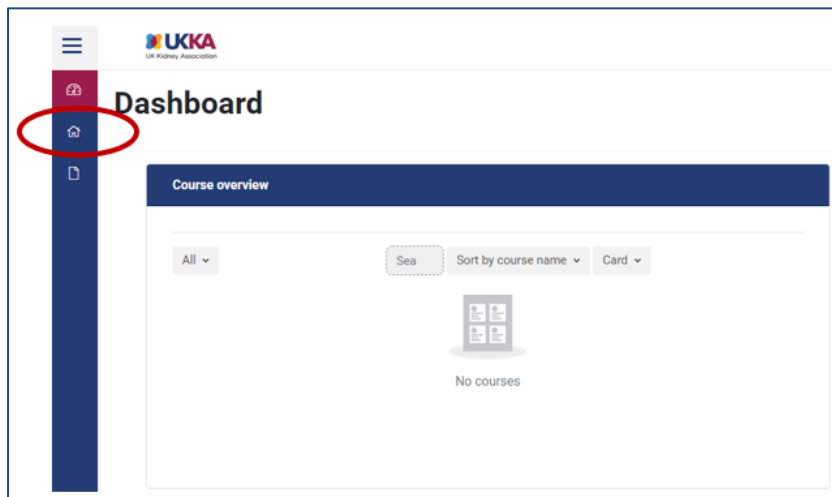

- i. Yes – create new account and follow the instructions
- ii. No – log in with username and password

The image shows the login page of the UK Kidney Association eLearning platform. At the top is the UKKA logo and the text "UK Kidney Association". Below the logo are two input fields: "Username or email" and "Password". A blue "Log in" button is positioned below the password field. Underneath the button is a link: "Forgotten your username or password?". Below this is a section titled "Is this your first time here?" with the text "For full access to this site, you first need to create an account." and a "Create new account" button. At the bottom of the page, there is a cookie notice: "Cookies must be enabled in your browser" with a help icon, and the text "You are not logged in." and a "Home" link.

- Once you have logged in successfully, you will be directed to the site

- Go to our site Home Page

- Scroll down till you find the course you want to join

6. Select the MAGIC course you want to enrol on
