

Acknowledgement and disclaimer text to use in outputs based on UKRR data

Acknowledgement text

If Scottish data are included:

This project includes data derived from patient-level information collected by the National Health Service (NHS), as part of the care and support of kidney patients. We thank all kidney patients and kidney centres. English, Northern Irish and Welsh data are collated, maintained and quality assured by the UK Renal Registry (UKRR), which is part of the UK Kidney Association. We thank Public Health Scotland for sharing with the UKRR the data they collect, maintain and quality assure in Scotland. Access to the data was facilitated by the UKRR's Data Release Group.

If no Scottish data are included:

This project includes data derived from patient-level information collected by the National Health Service (NHS), as part of the care and support of kidney patients. We thank all kidney patients and kidney centres. The data are collated, maintained and quality assured by the UK Renal Registry (UKRR), which is part of the UK Kidney Association. Access to the data was facilitated by the UKRR's Data Release Group.

Disclaimer text (to use if no UKRR author is included on the output)

The data reported here have been supplied by the UK Renal Registry (UKRR) of the UK Kidney Association. The interpretation and reporting of these data are the responsibility of the authors and in no way should be seen as an official policy or interpretation of the UKRR or the UK Kidney Association.
